

Tidewater Camera Club October 2007 Meeting Minutes

Tim Champney called the meeting to order at 7:10. He asked for help with refreshments for our meetings. A sign-up sheet was passed around. Several people did sign up, but we still need more volunteers. The sign-up sheet will be passed again at the October meeting at TCVAC.

Roger Miller sent Tim a copy of his new book *Maryland*, which is filled with photos of Maryland. If you are interested in buying a copy of the book, email Tim or go to Roger Miller's web site.

Tim welcomed visitors and new members. We had 5 visitors, and several new members .

Charley carter gave the Treasurer's report for Christy Henderson. The balance at the last meeting was \$1,171.43. We collected dues totaling \$399.00 and ended the month with \$1,570.43.

After a short business meeting, he turned the floor over to Hunter Harris, who presented a very interesting program on aerial photography. He showed fascinating views of our shorelines in sun, snow, with ice forming and melting. Hunter also went over techniques, and brought some of his equipment for us to look over.

After Hunter answered questions from the members, refreshments were served and the monthly print competition and judging was held.
